

We love sweets! ♡

We love sweets!

Why OVI & SARI

- * **HAPPINESS:** Our sweet temptations make your children happy
- * **UNIQUENESS:** Our products are unique, different from all other sweets and desserts on the mass market
- * **QUALITY:** Strictly selected ingredients are combined with total control of the production process
- * **LIKE HOMEMADE:** Our products are closer to homemade desserts than the mass production
- * **CARE:** We do not use artificial colours, sweeteners, preservatives and alcohol. Our products are GMO free

"Our inspiration comes from our desire to turn the traditional homemade sweets into contemporary confectionery delights which everyone can afford"

"We are proud of our irresistible delicious sweets, prepared according to classic recipes"

We love sweets! ♥

* OVI & SARI Ltd. was established in 1998.

In 2011 the company has become a part of the holding company PENELOPA GROUP, which today is part of our success story and a guarantee for the achievement of our high goals.

* We constantly invest in new production capacity in order to meet the growing demand for our products.

* In 2019 a brand new fully automatic production line has been set up in operation increasing triple the production capacity and efficiency.

* We have a team that exercises constant control over the quality of our products.

* Only high quality raw materials with guaranteed origin enter our warehouses.

* We have a system for internal control, whereas currently we are certified under ISO 22000, ISO14001, ISO 9001 and HALAL.

We love sweets!
